

#### Intelligent Field Operations Software

#### **E-Ticketing:**

Roustabout Crews & Hourly Field Services

### How do you track locations and time on site for multi-person crews?

- Capture location and time stamps for each individual crew member using GPS and mobile devices.
- Get verifiable time and location information at every step.
- See the data you need for safety, auditing and invoice validation.

## Do you spend too much time creating, tracking, and validating tickets?

- Create roustabout tickets and hourly work orders in less than 15 seconds with customizable templates.
- Remove steps throughout your entire workflow with Quick Tickets and automatic rejection logic.
- Only manually review exception cases, saving time over and over.

#### Is it time to get rid of paper "data", paper-based errors and manual reporting?

- Approved Engage Mobilize tickets flow directly into TaliPay for fast, automated payment.
- Eliminate manual processes and reduce back-office overhead.
- Accurate, transparent and verifiable invoicing delivers reporting and data insights.
