

QuickPay: The Power of Engage Mobilize + TaliPay

Combined for Automated Payments

Service Provider Early Payment Program

- Unlock the value of working capital tied up in the supply chain.
- Immediate payment to service providers on a non-recourse basis.
- Take the pressure off of service providers who are growth constrained due to lack of affordable financing options.
- Earn fee income in exchange for immediate payment; flexible rate structure determined by you.

Increase Loyalty & Satisfaction

- Become a preferred customer when you automatically pay service providers within 24-hours of Engage Mobilize ticket approval.
- Give your service providers an alternative to high-cost, third-party financing.
- Service providers eliminate billing hassles and financial management headaches.

Streamline Payment from Engage Mobilize

- Approved Engage Mobilize tickets flow directly into TaliPay for fast, automated payment.
- Eliminate manual processes and reduce back-office overhead.
- Accurate, transparent and verifiable invoicing delivers reporting and data insights.

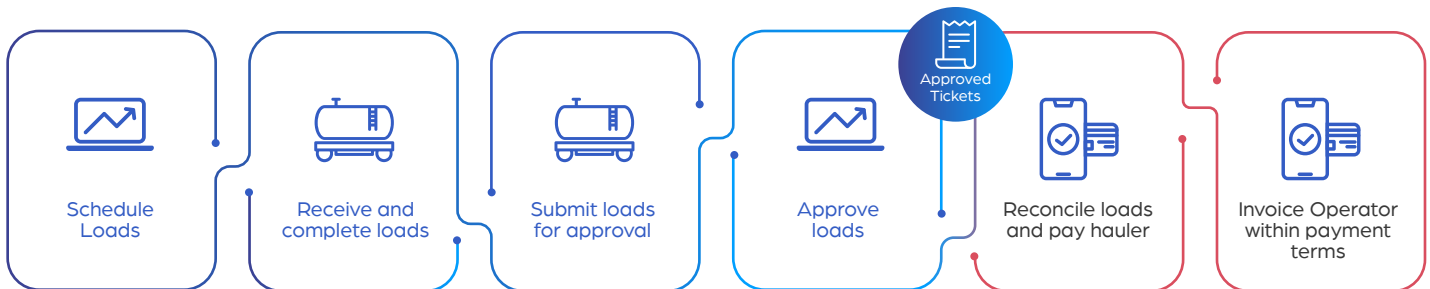

Digitizing the field transaction is way more impactful than just 'eliminating paper.' Digital ticketing consistently delivers simplicity and visibility.
